Student Council

This is the second year that the Student Council has been organized. It has greatly facilitated the setting-up of the school calendar as to social affairs. Each class and each organized group has a representative in the Student Council. In addition to this each class president is also a member. The representatives are elected by the group which they represent. So far the only organized club in the school is the Arion Club.

Officers of the Student Council are chosen by the student body in May. The president and vice-president of each class, the past president and vice-president of the council and the advisor of the club, which is Mr. Filiere, nominated five Juniors and five Seniors of the following year. On the date set by the Council the entire student body votes on these

ten names. Of these the highest two Juniors and highest two Seniors are again balloted. The highest Senior is named president and highest Junior is vice-president. The secretary-treasurer is chosen by the Council at the beginning of the next year.

In the group below in the top line from left to right are: Mr. Filiere, the advisor; Walter Holtmeyer, Senior class representative; Lowell Baker, President of the Junior class; Gerald Ernsthausen, Freshmen class president; Harold Briggs, Senior class president; The bottom row includes: Janet Kopp, representative of the Arion Club; Marlene Miller, president of the Sophomore class; Charles Albright, Council President; David Jacobs, vice-president of the Council; Elaine Hazel, Junior class representative; Lloyd Albright, Sophomore Class Representative.

Standing: Arlene Rife, Joan Marsteller, Geraldine Faykosh, Ruth Snyder.

The purpose of the club is to furnish an opportunity for girls of the Senior High School to take an active part in promoting athletic contest in view of actual participation, promote an active social life, and acquire a spirit of sportsmanship.

A member must earn 325 points in her Freshman year to win a bronze pin, 300 in her Sophomore year to win a silver pin, 300 more in her Junior year to get a gold pin, and at the end of her Senior year must have a total of 1500 points to win a letter or keep her gold pin.

The different ways by which she may earn these points are: Attending basketball and football games, working at games, attending Booster Club meetings and parties, participating in different sports, selling tickets at noon, being a scorekeeper or refereeing at games, and being an officer.

Queen

On November 28, before a capacity crowd of Troy and Lake fans, Shirley Brinker was crowned the 1953 Basketball Queen by co-captains--Joe Helm and Jim Ford.

Shirley was ushered in by the co-captains. Her attendants--Martha Mallery, senior; Mary Minarik, junior; Betty Elvey, sophomore; and Shirley Hofer, freshman--were ushered in by the other varsity players.

Shirley was elected by the basketball squad, and each class elected its attendant.

After the game, a dance was held in her honor for the students of both schools.
